

AGA SCHOLARSHIP PROGRAM INFO

The Arkansas Gas Association (AGA) is offering scholarships to assist students with tuition, fees, books, and on-campus room & board. The Scholarship Program is only open to 1) dependents of employees of AGA member companies who are in good standing and 2) will be a freshman in pursuit of an undergraduate degree at a two- or four-year accredited college, university or technical school in the upcoming fall.

AGA awards several \$1,000 scholarships each year, varying each year.

AGA will award scholarships to the applicants judged to be the most worthy by the Scholarship Selection Committee. This committee is made up of a cross-section of members from AGA member categories.
